January Meeting
Thursday, January 17, 2013
7:15 pm How-To Session
7:30 pm Ribbon Judging
8:00 pm General Meeting

Our regular meetings are held on the 3rd Thursday of the month at
Los Angeles County Arboretum & Botanic Garden,
Lecture Hall, 301 North Baldwin Avenue, Arcadia

General Meeting: George Hatfield

“Cymbidiums”

Hatfield Orchids is owned and operated by George Hatfield, who has over 15 years of experience in raising award quality Cymbidium orchids. Hatfield Orchids is fortunate enough to be located in Ventura County, California, which has an ideal climate for the propagation of Cymbidium orchids. The operation is run by family & friends, and orchids are their passion.

George is active in the Cymbidium Society of America and the American Orchid Society, as well as several Southern California regional orchid organizations. George is an orchid judge for both the CSA and AOS, and is currently the Chairman of the Santa Barbara judging region for the CSA.

George is also a past-president of the CSA and was the Chairman of the CSA Cymbidium Congress from 1998-2001 and president of the Santa Barbara International Orchid Show in 2002 & 2003. Hatfield Orchids is known for producing some of the top pendulous Cymbidiums in the country. In fact, the Grand Champion of the Santa Barbara Orchid Show.

George will also be bringing plants for sale.

Plant Opportunity Table

The plant table for this month will be provided by **George Hatfield**. George always brings a wide variety of Cymbidiums, so don't forget to get your raffle tickets!

ADVERTISING IN THE BULLETIN

Anyone interested in advertising in the SGVOH Bulletin should contact **Greg Orozco** at g.orozco3400@att.net for prices and information.

The Board of Directors would like to thank all of our members for their continued support. **2013 is a new year and we need a new slate of officers.**

This year we have continued to run without a President or Secretary. All positions need to be filled to run the society in an organized manner. Next year we would like to plan shows and tours but without great leadership and pre-planning these chores fall short. Please help our Society by Stepping Up Today!!

Some Orchids That Flower In The Winter Months

The names below are derived from the Latin and Greek languages and can, at first, be daunting to pronounce. It's easier if you remember that, with few exceptions all letters are pronounced. You will often hear names pronounced somewhat differently than indicated below as a result of regional differences. There are also pronunciations that are not technically correct but have found their way into common useage. The common pronunciation, **stan-HOPE-ee-ah** rather than the technically correct **stan-HOPE-ah** for *Stanhopea* is an example. This pronunciation has no doubt evolved because of the "pronounce every letter rule" although that would sound more like **stan-HOPE-AY-ah**.
